Teamsters Local 26  
Pat Gleason, President  
Champaign/Bloomington Illinois

November 10, 2016

Dear Mr. Gleason:

I am writing this letter to thank you for the recent donation from Teamsters Local 26 to the University Library at the University of Illinois at Urbana-Champaign. We are now in the process of receiving and cataloging the following books from Teamsters Local 26:

- Life in the Teamsters, "Labor's Own Road," by Richard Lipsitz on Behalf of the International Brotherhood of Teamsters, Copyright 2015
- James R. Hoffa, "Messages to the Membership," Compiled by David Piper, Copyright 2009
- Life In the Teamsters, "The Civil Rights Movement," by Alex Clair on Behalf of the International Brotherhood of Teamsters, Copyright 2010
- Teamsters Snapshots in Time, Copyright 2010 on Behalf of the International Brotherhood of Teamsters
- James R. Hoffa, "Remembered," Copyright 2013 on Behalf of the International Brotherhood of Teamsters

We will soon catalog and make them available for the Library users. These books will greatly strengthen our collection on labor unions, and they will be used by our faculty, students, and other public members for research.

Once again, thank you for the generous gift.

Sincerely,

Yoo-Seong Song
