

# New Vision Benefits

*Starting March 1, 2018,  
TeamCare has improved the in-network vision benefits through EyeMed.*

☒  Your frame allowance will be increased to **\$150 every 12 months**

☒  In lieu of frames your contact lenses allowance will be bumped up to **\$120**

☒  Progressive lenses will be fully covered at **NO COST** to you

☒  Your EyeMed network will be switching to the **EyeMed Select network** which will nearly double the amount of participating providers in your area

Although your improved benefits become effective March 1st, your vision benefits remain payable once every 12 months. Log in to **MyTeamCare.org** to view when you are eligible to use your Vision Benefits.
